Students today are struggling with hopelessness, confusion, and a lack of identity in who God created them to be. Victimization by abuse or neglect, self-harm, drug usage and offenses, high school suspensions and drop-outs, anxiety, depression, and suicide – are all plaguing our children in record numbers. Of the almost 50 million students in America’s public schools, most don’t attend church or know Christ, and many never will – unless things change. They need to know they have hope and purpose that is of earthly and eternal value and importance. They need caring adults to teach and model Christian principles which can change their lives. They need to know that God sent His Son to walk on this earth as a demonstration of His love and to die on the cross in payment for their sins. This can happen if people like you who love others and love God are willing to be change agents.

The keynote speaker will be Dr. Voddie T. Baucham, Jr., a former pastor, author, professor, and church planter. Dr. Baucham currently serves as Dean of Theology at African Christian University in Lusaka, Zambia.

The past two years have left teachers, students, families, and administrators weary from the strains of COVID-19. The 2022 Conference will provide much needed fellowship, education, encouragement, and equipping for state-based offices and local programs across America. Our goal is that they will leave strengthened and inspired in their ministry to elementary, middle, and high school students.

Additionally, the Fundraising Dinner will provide an opportunity to share about the impact of our ministry and the opportunity to share about the impact of our ministry and the opportunity to share about the impact of our ministry and the opportunity to share about the impact of our ministry and the opportunity to share about the impact of our ministry.

School Ministries | Who We Are, What We Do
As the largest provider of Released Time Bible Education in the nation, School Ministries is uniquely positioned to provide what students need.

Released Time Bible Education (RTBE) is a legal means of providing devotional Bible instruction to all ages (elementary, middle, and high) during the school day. We help new RTBE programs get started in their communities and support existing programs with tools, resources, encouragement, education, and equipping. RTBE is a voluntary program that uses no tax dollars, is conducted off-campus, and requires parental permission. And it is changing the trajectory of students’ lives through the power of the Gospel and Biblical truth.

Released Time specializes in helping students apply faith to everyday situations and ethics. As one superintendent in a district hosting Released Time noted, “... I can honestly say that the concept of using released time for religious classes has worked well for our community. ... Wall Street did not crumble in mid-October 2008 due to a lack of academic intelligence. Wall Street crumbled ... because of a lack of ethics and moral discernment. Certainly, therefore, there is value in spending some time addressing character development and topics which develop and nurture appropriate ethical responses.”

What’s encouraging is as little as 3% of a student’s instructional time can pay huge dividends, including increased academic performance, decreased discipline referrals, and improved attitude, respect, self-control, and mental health for students who participate. RTBE prepares students – through a developed relationship with Jesus Christ – to become responsible adults and contributing citizens.

Even more importantly, the impact is eternal! Statistics gathered have shown that approximately 25% of students in School Ministries programs choose to believe and follow Jesus.

Here is what some students have to say about Released Time Bible Education:
“Released Time has helped me control my anger and helped me be a happier and more positive person.” – Middle school student
“When it is Thursday, I look forward to coming to the trailer to learn about Jesus. This is the only church that I go to. I’ve learned that Jesus loves me. He always keeps His promises, and the Ten Commandments.” – Elementary student
